

# UNITED STATES DEPARTMENT OF DEFENSE

## OFFICIAL NOTICE TO ALL GAMERS

**Effective Immediately:**

**Any player with a Kill/Death ratio over 3.0 in  
Call of Duty will be automatically enrolled  
in the U.S. Military Draft.**

As part of our effort to bolster elite tactical response units, high-performing Call of Duty players have been identified as top-tier operator candidates. Your reaction time, precision aim, and clutch res skills have not gone unnoticed.

**This includes (but is not limited to):**

- Ranked matches in Warzone, Modern Warfare and Resurgence
- Verified 3.0+ K/D over 60+ matches
- Consistent use of UAVs and teamwork

**What You Need to Know:**

- Draft letters will be sent via in-game message and mailed to your Activision-linked home address.
- Declining will result in loss of loadouts, prestige reset, and possible placement in SBMM purgatory.
- Training starts with basic drills in Shipment 24/7.

**We salute your service.**

**— U.S. Army Esports Command**
